## CALL FOR PAPERS

### Sixteenth CIREQ PhD Students' Conference

For its fifteenth anniversary, the *CIREQ PhD Students' Conference* invited over forty PhD students in Economics, from Montreal and the world, to share their research around a convivial and stimulating event.

We are pleased to announce the *Sixteenth CIREQ PhD Students' Conference*, on **Thursday, May 20 and Friday, May 21, 2021 between 10 a.m. and 2 p.m. EST**. At this occasion, we welcome PhD students, working in all fields of Economic Science, to present their research.

In light of the current global health situation, the event will be held **online**, on the Zoom platform. We remain confident it will generate exciting discussions, connecting students across borders.

To submit a paper or to know more about the event and its organisation, please visit the conference web page <http://www.cireqmontreal.com/?p=33206>.

Submissions should be done **online**, through the form available at the above address, **before March 1, 2021**. An abstract with a **400-word limit** is required. Notifications of acceptance will be sent out by March 22, 2021. The program will be posted in April 2021.

There is no submission or registration fee for the conference. Nevertheless, for planning purposes, **registration is required**.

We look forward to meeting you at the conference.
